STEWARDSHIP BY THE BOOK

In the second reading today, St. James has harsh words for those who do not put their faith into action. May we be such good stewards of God's gifts to us that we can never be accused of having "faith that does nothing in practice."

LIVESTREAMING

Please be advised that the Mass is being filmed, broadcast, and/or videotaped, including audio recording. Your attendance at Mass constitutes your consent to these recordings, and to the use of the recordings by the church for public communications, social media, evangelization, and other business or religious purposes. God bless and thank you for attending Mass at Blessed Trinity Catholic Church.

STEWARDSHIP

POTENTIAL

A STEWARDSHIP MOMENT

St. James asks what our love for Jesus Christ can possibly mean if it does not result in actin on behalf of, and to benefit, our neighbor. He suggest that faith in Jesus Christ is demonstrated most profoundly in our care for the needy, the suffering, and the underprivileged. Stewardship includes proclaiming the Good News by putting our faith into action on behalf of others. In what ways have we been willing to make sacrifices and renunciations for the sake of Jesus Christ and our neighbor?

Jesus addresses His disciples saying, “Whoever wishes to come after me must deny himself, take up his cross, and follow me.” We are Jesus’ disciples, and He is speaking those same words to us here and now.

Living a life of discipleship is not always easy. It requires us to be imitators of Christ — who suffered, died, and rose from the dead out of total love for each one of us. This means we are called to share in Christ’s sufferings by taking up our cross and following Him daily.

But what does this look like in our day-to-day lives?

We can start by making a firm resolution to follow Christ today, here and now, and renewing that resolution each day when we rise. This requires time with Him each day — speaking and listening.

We should also strive to pick up our crosses each day with Christ by our side. Our cross might be suffering from an illness, fighting an addiction, a day of screaming kids, or a period where things just don’t seem to go our way. Instead of avoiding these sufferings or complaining about them, we are called to carry them with Christ, allowing Him to transform us through them.

If we live life constantly focused on us, we will ultimately lose ourselves, but if we surrender our lives for Christ and His mission, we will gain eternal life and become more alive than we could have ever imagined, “For whoever wishes to save his life will lose it, but whoever loses his life for my sake and that of the gospel will save it.” This takes daily commitment and requires endurance in our faith, which can only be done through active discipleship.

LIFE TEEN FUNDRAISER

some of the students impacted by the Life Teen ministry here at BT and also help further our ministry efforts by grabbing bags of Giggles Popcorn sold by our students (\$8/bag).

During the weekend of **September 21/22**, baby bottles will be available after each Mass. All donations will benefit **Alpha Center for Women**, an Ocala pregnancy resource center that offers life-affirming alternatives to abortion, material support during and after pregnancy, post-abortion recovery and a mentoring program for parents in need. From 2006 to present, the generous parishioners of Blessed Trinity have contributed over **\$128,300!** Last year we ministered to **162 new clients** providing pregnancy tests and meeting material needs through our Bridges program. Over **1,500 client visits** took place and we assisted our moms and dads **with nearly 22,500 closet items** (diapers, wipes, clothing, food, and furniture, as well as utility assistance, gas and grocery gift cards). In addition, your support has allowed us to continue our sponsorship of two Uganda students and the Uganda Orphanage.

Thank you for your partnership with Alpha Center for Women. It is truly a ministry serving the poor in our community and helping them find a way to say “**YES**” to life.

VISITING PRIEST

Next weekend, September 21, Father Tony Anderson from Our Lady of Mount Carmel Parish in Benque, Belize will be speaking at our Annual Morning of Reflection for all ministry heads, board members and staff of Blessed Trinity.

He will also be preaching over that weekend.

We have a long history with the mission in Benque, Belize and are excited to welcome Father Tony once again!

Sunday, September 15th—We will continue our series on Mercy after the 5:00pm Mass. We'll have games, small groups, and worship to follow. Invite someone you haven't seen at Life Teen this year!

Sunday, September 22nd— All students are invited to attend a special evening talk with Emily Wilson on relationships and dating. Emily is a prominent Catholic speaker who has been featured at conferences like Steubenville and SEEK. Worship will begin at 6pm with Adam Pryor, followed by Emily at 6:30pm.

Faith and Science: Perhaps there's more than meets the eye.....

In his recent book, *Christ, Reason and Science*, Father Robert Spitzer reviews scientific research into the Shroud of Turin, Eucharistic miracles and the inexplicable physical healings that have been recorded at Lourdes and suggests that there is much more alignment between faith and reason than we are sometimes led to believe. The latest scientific analysis of the Shroud does suggest that it is 2,000 years old and that it's fibers contain evidence of the AB blood type that is the same as the found in Eucharistic miracles. The medical bureau at Lourdes has approved very few miracles but those it has recognized have been exhaustively reviewed over many years and are extremely well documented. Father Spitzer's book offers a thorough review of these important instances where genuine science has come to recognize that there is much more to these unexplained phenomena than critics of our faith are willing to consider. His book is an invitation to look at the scientific evidence, which is there for all to see. In his introduction he offers an historical perspective on the origins of Catholic faith. I highly recommend this volume, which is extremely well written and most informative. **Available from the Gift Shop this weekend, cost \$20.** Dr Barry Meehan

Relic of Saint Bernadette of Lourdes

On October 3, Dr Meehan will be in Ballina, Co Mayo, Ireland where the relics of Saint Bernadette will be venerated at the cathedral. In the years since the young Bernadette Soubirous saw a beautiful lady who told her she was the Immaculate Conception, millions of pilgrims have made their way to Lourdes in search of healing, both physical and spiritual. Many non-Catholics have also been attracted to Lourdes including some famous personalities such as the actor Zac Efron who recently presented a program on the healing waters of Lourdes on Netflix. Dr. Meehan will be happy to take parishioners' intentions to place before the relic, sign-ups are available after all masses this weekend.

Got Love??...

Do you ever feel the need to personally respond to God's gift of Love? Ephesians, chapter 1 reads, "*Before the world was made, he chose us, ... to make us praise the glory of his grace ...*" God does not need our praise, yet we have been chosen to exalt Him—it is *us* who needs to praise God!

Like the women who washed the feet of Jesus with her tears, God knows we *need* to express our love for Him with a tender, personal intimacy.

This is the essence of the praise and worship found at the center of charismatic prayer meetings. The Gift of Praise we offer is our intimate response -the offering of our love for His Love.

If, when we sing to God we pray twice, so too then, must our songs of praise be made double! Join us as we gather each week to offer God the gift of our love and praise. Your presence will add to our offering, and increase our joy!

We meet Every Thur. 7-8:30pm in the Elder Care center. Call Richard for info, 352-342-2982.

NEW Altar Server Training

5:30pm-7:00pm

Training Begins Monday October 7th
for the four-session training series
(10/7, 10/14, 10/21, 10/28)

Altar serving is open to any Catholic youth that is entering 4th through 12th grade. Your serving commitment is 1-2 masses per month and additional masses during the busier holiday times. This is a wonderful ministry focused on learning the Mass in detail, while serving at the Altar of Our Lord. This is also a great opportunity for service hours for 8th graders and high schoolers. We look forward to all those youth ready to share their time and talent with our ministry.

We will have a short parent/student meeting on Monday, October 7th at 5:15pm in the church, immediately before the first training session. To reserve your spot, please email btaltarservers@gmail.com to register. Space is limited to 12 students and attendance is required at **each** of the four sessions. The next training sessions may be offered in April. Also, we request a parent or two to stay with us during the trainings, even if you can only stay for one of the sessions offered (must be fingerprinted, please email us if you can help!). [If you want to be an Altar Server, but just cannot make these dates/times, please email us today.](#)

The Immaculate Heart of Mary orphanage in El Salvador

Last April Dr Barry Meehan visited the orphanage which cares for 20 orphans and 50 children from poor single-parent families. Last weekend Sister Magalis also spent time at the orphanage and met with Mother Ursula, the Carmelite sister in charge. Both were very impressed by the care received by the children from the dedicated sisters and volunteers. The orphanage receives no financial support from either the Church or the government of El Salvador so Mother Ursula, must raise the funds to clothe, feed and provide for the needs of the children in her care as well as maintain the property as best she can. The sisters have trust in providence, which is why the orphanage continues to exist. We are inviting parishioners to consider sponsoring an orphan at Immaculate Mary: more information is available on the portico after all masses this weekend.

PEACE & SOCIAL JUSTICE

Fair Trade is a sustainable and alternative model that helps framers make a viable living and stay on their own land while advancing many economic, social and environmental goals without being at the mercy of unstable market prices. That means farmers will be paid a stable price year after year which is significantly higher than the fluctuating market price. **Fair Trade** premiums allow farming communities to collectively decide which development projects they want to use the money on, like improving access to clean water, education and healthcare. This makes a real impact on the quality of the lives of the farmers, their families and their employees. We will be selling **Fair Trade** coffee, tea, cocoa and olive oil after Mass **this weekend**.
